

## Privacy Statement

The GDPR aims to protect the digital rights of EU citizens. In line with the GDPR Regulation, which entered into force on 25 May, 2018 we will inform you about the processing of your personal data in connection with the websites we operate.

Please note that if you do not agree with this privacy statement, you can not unfortunately use our services. If you agree with the statement, you can reserve our travel services through us.

### ***Responsibility for the processing of personal data on our websites***

The controller pursuant to the General Data Protection Regulation and other national data protection laws of Member States as well as other legal data protection regulations is:

David Bouček, with its registered office at K Havlínu 720, Praha 5, 156 00, Czech Republic.

phone nr. 00420 603 99 1234

### ***Type, purpose and use of collected personal data***

First of all – your privacy is important to us. As far as we collect, process or use personal information about you as part of the services we provide, we do so in accordance with the relevant Czech and European data protection laws.

In principle, we collect and use the personal data of our users only to the extent necessary to provide a functional website, our content and services. The collection and use of the personal data of our users take place regularly only with the user's consent.

These are basic information such as your name and surname, date and place of your stay, contact details, phone numbers, email address and your payment details.

Thanks to these basic data, we can create and manage your reservation and for any marketing activities.

### ***Transfer of personal data to third parties***

We may disclose your personal data to third parties where necessary to complete your reservation and in compliance with local laws, regulations, in particular to the following categories of persons - affiliated companies, financial institutions, external service providers, governmental or other state authorities.

### ***Security and retention procedures to store your personal dates***

We observe reasonable procedures to prevent unauthorised access to, and the misuse of, personal data. Your personal information is only sent through the secure interface of our website.

We use appropriate business systems and procedures to protect and safeguard the personal data you give us. We also use security procedures and technical and physical restrictions for accessing and using the personal data on our servers. Only authorized personnel are permitted to access personal data in the course of their work.

We will retain your personal data for as long as we deem it necessary to enable you to use our services, to provide our services to you, to comply with applicable laws, resolve disputes with any parties and otherwise as necessary to allow us to conduct our business.

All personal data we retain will be subject to this Privacy Statement. If you have a question about a specific retention period for certain types of personal data we process about you, please contact us via the contact details provided below.
